

# Will County Center for Community Concerns

## LIHEAP COOLING FUNDS

The Low Income Home Energy Assistance Program administered by the Will County Center for Community Concerns will receive summer cooling funds to assist Will County households with their electric bill. Households must be at or below 150% of the poverty level and have active service with ComEd or The City of Naperville. The Program will target at-risk households, defined as seniors age 60 or older, or persons with disabilities (SSI or pending case with the Social Security Administration), or households that contain children two years of age or younger, or those with medical conditions that would be aggravated by extreme heat.

The focus of the cooling program is electric service. The program's benefits are Summer Energy Assistance payments of **\$150.00** to electric services **ONLY**. There are no Emergency Funds available to assist households whose service has been disconnected for non-payment.

**\*\*Because of limited funds available there will be NO air conditioners or fans given out through the Summer Energy Assistance Program.\*\***

**The Summer Energy Assistance Program will run from July 19, 2010 through July 30, 2010, or when funds are exhausted (whichever comes first). Applications will be taken at Will County Center for Community Concerns Monday through Friday 8:am-3pm**

**When applying for the Summer Energy Assistance Program the following documents are needed:**

1. Social security cards for **ALL** household members.
2. Proof of past 30 day income for **ALL** household members.
3. Copy of current electric bill.

Additional documentation may be requested at time of application.
