## VII New Business

1. Committee members discussed the “free” parties sponsored By the Township. Committee members were hearing from active and long time members that they were unable to get tickets because it was sold out so quickly. We all agreed that further discussion on this subject should be with Supervisor Gary Marschke.
2. George Brown handed out information regarding a Canadian Train Tour. Attachments for, Bernadette, Gary and Debbie.
3. George Brown spoke about his suggestion for a Senior Self Help Group. We discussed how the groups can be formed, getting professionals to conduct the meetings, getting the information to our seniors that this help will be available, and what is the best way to do this. A tentative name for the group was suggested, “Senior Focus”.
4. Linda Youngs asked members for suggestions to plan activities for the 2023 calender. Several ideas were presented.
