A payment processor fee of 3.5% will be assessed for Credit Cards or a fee of \$1.22 will be assessed for Electronic Checks (if accepted). Credit card companies charge a fee for use of their cards. For most private businesses these charges are built into the price of their products and services and are therefore transparent to the cardholder. By law, the Illinois government cannot absorb this banking/payment processor fee, and therefore it must pass directly to the customer. All installations are scheduled based on materials, availability, manpower, and weather permitting. Any extra materials left on the job are the property of BNF Pros.

DUE TO PRICES ON MATERIAL CONTINUALLY RISING, OUR ESTIMATES WILL CHANGE AFTER ONE WEEK UNLESS IF SIGNED BY THE CLIENT TO MOVE FORWARD WITH THE PROJECT.

STANDARD DETAILS

- Permits to execute the project will be obtained by BNF Pros.
- All work to be completed according to all manufacturer Installation practices.
- Clients do not need to be present during construction unless specified.
- Any work aside from the specs listed in the agreement will be addressed as a change order. A Change order is any extra unforeseen work, it is discussed with the client prior to moving forward on the project and will be billed for time and material basis. One common example: After BNF removes the existing roof system, inspect wood decking for possible defects, change order is provided and then all rotten decking boards are replaced. Pictures of the replaced rotten boards, before and after, will be provided to the client in addition to a change order (additional cost). Replacement of 4x8 sheets or 1x6(8)x10 boards of decking will be installed for \$120 each. Replacement of roof rafters 2"x8(12)"x10 is \$250.
