Attn: Ms. Jackie Traynere, Administrator

Re: New Parking Lot for:
DUPAGE TOWNSHIP
Bolingbrook, Illinois 60440

Dear Jackie:

The following is a break down of our original budget compared to the actual low bidders' costs as submitted at the Oct 2nd bid opening. At the end of this cost break down is our recommendation to the Township Board on award of the contract.

Estimated vs Actual Construction Costs:

Base Bid:	Estimated	Actual
Excavation	\$ 55,000.00	\$ 45,332.00
Concrete	26,500.00	66,430.00
Asphalt/Stone (New & Resurfacing)	130,000.00	139,416.00
Storm Sewerage	25,000.00	60,230.00
Lighting	15,000.00	41,220.00
Landscaping	15,000.00	40,360.00
O&H, Insurance, Miscellaneous	35,000.00	22,472.00
Total Costs	\$317,400.00	\$415,460.00

Alternates:	Estimated	Actual
Brick Pavers Alternates A1 thru A4	\$561,500.00	\$455,077.00
New Sidewalk at the Levy Center Alt. A5		7,815.00
EV Station Alt. A6		6,015.00

Items not in original design:	Actual
Removal & Addition of Asphalt west lot	\$ 35,000.00
Sidewalk/curb in front of the Township Bldg	18,000.00
Extra ½" of asphalt in front of Township Bldg	8,000.00
Total Extra Costs	\$ 61,000.00

On October 2, 2024, at 2 PM, bids were received on the above project. Attached to this letter is a copy of the bid tabulation form with the results. As you will see, twenty-three companies pick up the drawings and specs. Two of the companies were plan rooms and the other twenty-one were contractors. Out of the twenty-one contractors, five returned bids.

The low bidder, no matter which alternates we award with the base bid, is Abbey Construction, Co. from Aurora, Illinois. I met with Abbey Construction the morning of Oct 4th to discuss their bid and to make sure that they had everything included and had no questions. After meeting with Abbey Construction, I have concluded that they have included everything in their bid and that they are very capable to do the work. Cody/Braun has worked with Abbey Construction on several parking lot projects thru the years and find them top notch in their field.

On the first page of this letter, it shows that the Base Bid of \$415,460.00 from Abbey Construction was \$98,060.00 higher than our estimate. But the break down also shows that the main reason for the higher base bid was because of the extra work required that was not in the original estimates. The three items as described on page one totaled \$61,000.00 of the \$98,060.00 overage.

Also on page one, it shows that the four brick paver alternates totaled \$455,077.00 and were \$106,423.00 under the original estimate. Being that the Township has received a \$500,000.00 grant to do brick pavers for the parking lot, there seems to be enough money to cover the work.

Therefore it is the recommendation of Cody/Braun & Associates, LLC, that if DuPage Township can budget the appropriate amounts of money which includes the grant, that they award the project to Abbey Construction, Co. for the total amount of **\$884,367.00**, broken down as follows:

Base Bid	\$415,460.00
Alternate A1 – Pavers: New Parking Lot	121,620.00
Alternate A2 – Pavers: Township Bldg	164,430.00
Alternate A3 – Pavers: Levy Center	112,375.00
Alternate A4 – Pavers: Circle Section	56,652.00
Alternate A5 - West Sidewalk	7,815.00
<u>Alternate A6 - EV Station</u>	<u>6,015.00</u>
Total Contract Cost	\$884,367.00

After reviewing, if you have any questions or comments, please do not hesitate to call or email me at any time.

Romeoville, IL 60446

Dear Supervisor Marschke,

I wanted to share some good news with you and the Dupage Township Board of Trustees! The Illinois General Assembly recently passed the budget for 2025 and I was able to secure a \$250,000 grant to support the Dupage Township Food Pantry's mission to supplement the nutritional needs of the Township's residents.

I am confident that you will put these resources to good use and I look forward to working with you in both the near and long-term to address the needs of families experiencing food insecurity.

A grant specialist from the appropriate state agency will be assigned to your project and will connect with you to ensure the funds are released. To facilitate this process, please ensure your entity complies with the Grant Accountability and Transparency Act (GATA), which involves registering and completing required assessments in the GATA Grantee Portal. If you need assistance with this process, please contact my office. All funds must be spent within the 2025 fiscal year or risk being reappropriated.

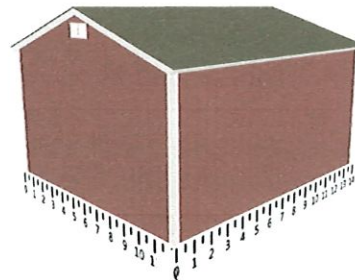

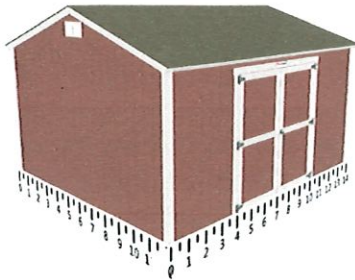

I am here to work for you and the people who live in Illinois' 43rd Senate District. Please feel free to reach out to my office for any legislative or constituent concerns.

Sincerely,
