

Supervisor comments regarding the levy, Special Meeting of December 9, 2025

1. The amounts shown to be voted on do not represent the budget;
2. In the past we have designated in the Levy Approval 4 areas, 3 of which are frozen once approved to be funded: Town, GA, Social Security and IMRF;
3. I am suggesting we reduce the 4 to 2: Town and GA We will move SS and IMRF into the Town Fund.
4. Cemetery is shown in the budget separately and this will be eliminated as it is already an item in the Town Fund and is merely extra paperwork;

Motion to accept the Levy as shown moving SS and IMRF into Town Fund and eliminating Cemetery from a Budget designation Passed.

Corrections to Wheatland opinions expressed by Clerk in her Comments at General Meeting 11/18/2025

1. Reached out to Wheatland two weeks before our general meeting; found out how much usage had increased by Wheatland residents of our food pantry and affirmed \$50 per month was no longer equitable to cover the expense we were seeing; asked Wheatland for a meeting to look at some amendment to our agreement. Finally got a response from Supervisor Michael Crowner to discuss issue. Met Tuesday 11/11/25 and he agreed the need was greater now and he took all the information and said he would have his guy look into it and get back to me by Thursday, 11/13; no response; sent email to both he and his guy on Friday, 11/14/25. As of Tuesday, 11/18 still no word from Wheatland whatsoever. At our November General Meeting I asked to dissolve the Food Pantry Agreement due to... No response whatsoever; we owe it to our taxpayers to act on this; it will give us leverage for a new agreement; it does not take effect for 180 days (May 2026); even doing it now, no residents will even be affected; this protects us since original agreement goes thru 2029; at any time during the 180 days we can enter into a new agreement with Wheatland. It is understood that Wheatland would need to present this to their Board (as Trustee Ransom pointed out during discussion) Further discussion pointed out it is our taxpayer dollars we should be watching out for and not so concerned as to what Wheatland may or may not do; we should not lose 1 full month and leverage for a new agreement ending in 1 year rather than 2029.
2. Discussion ended and vote taken. Dissolution of Food Pantry Agreement passed.
3. Letter of Dissolution prepared and delivered in person to Wheatland on Wednesday, 11/19/25

This is presented in an effort for transparency. The assertions made by our Clerk during her Comments are misleading and not factual. We were questioned as to General Assistance help for Wheatland Township. We supply no funds... our interaction is only evaluation and document preparation for Wheatland Township.

Corrections to Deputy Clerk comments made by Clerk in her Comments at General Meeting 11/18/2025

My comments stated for tabling Item F... "Move to TABLE ITEM F in order to get additional information since the Clerk's "authorization to appoint a Deputy Clerk requires Board approval" and the Trustees' have just become aware of Clerk's choice for Deputy Clerk through this Agenda Item; and more importantly, I see possible conflict in that Clerk's choice for Deputy Clerk comes with large responsibilities and her CHOICE is currently a full-time employee of the Township
